Select from a range of single drawer furniture packs including the washbasin of your own choice. The drawer has full access and also comes with the soft closing feature. Combining generous storage with great function.

MIRROR OR MIRROR CABINET

Choose between mirror with attractive LED lighting upwards or select the mirror cabinet with mirror gables and a full-width light panel that emits light through frosted panels in the mirror doors. The result is a bright, pleasant light inside the mirror cabinet and in the bathroom. Both mirror solutions are IP44-approved for wet rooms which allows you to place them within 60 cm from the bath or shower, thus maximising the use of the space in the bathroom.
